

Single FaceTM

The perfect edge to protect your product line

- Ideal for cushioning and wrapping applications
- Environmentally-friendly
- Versatile

Single FaceTM corrugated paper is an economical protective packaging material used for both cushioning and wrapping applications. Manufactured from recycled corrugated paper, Single Face is an environmentally friendly alternative to packaging films and foams.

Industrial Applications

- Wire spool wrap
- Millwork wrap
- Sheet glass separators
- Glass and bottle wrap
- Metal roll and cylinder protection
- Protective floor liner
- Cushions and protects any product

100% Recyclable

Angleboard products are made from 100% recycled materials.
