

SPC-3431

Pneumatic Sealless Combination Tool for Steel Strapping

Easy to operate

The SPC-3431 is easy to handle and designed with an ergonomics in mind.

Simple to maintain

The low-maintenance design of the SPC-3431 features minimal wear parts that are easily accessible.

Versatile

Ideal for lumber, panel, steel and other products.

Reliable

The SPC-3431 features the unique four-key sealless joint with reverse lock to prevent joint separation.
